

## COVID-19 Infection Prevention Measures

At InterContinental Yokohama Pier 8, the safety and well-being of our guests and employees is always our top priority. As such, we have implemented stringent precautionary hygiene measures, including:

### Public Areas

- Temperature checks to our guests using thermal camera when using the hotel. We sincerely apologize for those who have a fever above 37.5°C or who are not feeling well, but please refrain from entering the building.
- Enhanced cleaning and sanitization processes  
Alcohol-based sanitization is conducted continuously at places that are frequently touched by the public, such as door knobs, door, and elevator buttons, etc.
- Placement of hand sanitizers throughout all public spaces.
- Limitation of the number of guests per elevator ride to allow for safe physical distancing.

### Guestrooms

- Installation of an acrylic board at the Front Desk.
- Request our all guests to fill in a health check sheet upon check-in.
- The front counter and pen are sanitized after each use by the guest.
- Use cash tray for payment.
- Restriction of In-Room Dining service (Staff does not place food on the table).
- Extensive disinfection and sanitization of each guestroom with alcohol-based sanitizer once vacated.
- Extensive disinfection and sanitization of each equipment or replacement with a new one.
- Thorough handwashing, sanitization and the discarding of gloves after each room cleaning.

### Restaurants and Bar

- Limitation of seating at any one time to allow for safe physical distancing for guests and staff.
- We may ask you to adjust the reservation time to avoid the concentration.
- Hand sanitization upon arrival.
- Suspension of buffet-style food presentations.
- Tabletop seasonings such as salt and pepper are prepared individually
- Frequent sanitization throughout, including that of tables, chairs and menu after each seating.
- Use cash tray for payment.
- Ventilate the restaurant frequently.

### SPA

- We may ask you to adjust the reservation time to avoid the concentration.
- Request our guests to sanitize of hands upon arrival at SPA.
- Request our all guests to fill in a health check sheet upon check-in.
- Installation of an acrylic board at the Reception and use cash tray for payment.
- Treatment rooms are sanitized after each use by the guest with alcohol-based sanitizer.
- Extensive disinfection and sanitization of each equipment or replacement with a new one.

### Hotel's Boat LE GRAND BLEU

- Operation with a limited number of passengers to keep safe physical distancing.
- Request our guests to wear a mask and sanitization of hands before on board.
- Handrails, chairs are sanitized after each use by the guest with alcohol-based sanitizer.
- Open cabin doors and air conditioning systems to provide thorough ventilation inside the ship.

INTERCONTINENTAL®
